“PRESTIGE” DEMI-GLACE Can be used to create a number of french gastronomical signature sauces such as Madeira, Bordelaise, Hunter or Forestiere. Its rich, deep and pronounced flavour will enhance the profile of any signature dish. Try adding a splash of Madeira or sherry to create a unique sauce profile.

“PREMIUM” DEMI-GLACE One of the great sauces in french gastronomy. Prepared for discerning chefs who require the very best premium grade demi-glace to complement their finest culinary creations. Made from 100% natural veal glace, it's the perfect veal bone reduction for high-end applications.

“E & Q” PREMIUM VEAL GLACE Reduced by 90% of its initial volume, Efflives & Quintessence Veal Glace is prepared in a labour intensive, traditional way to give you the richest, best tasting broth available anywhere. Chefs and food industry professionals will enjoy the ease of use, convenience and many practical ways to serve this glace.
