

Pacific White Shrimp

Firm, Sweet Shrimp

Cost Effective

Processed in HACCP Approved Plants

Pacific White Shrimp

One of the most popular and well-loved seafood products, shrimp is a staple item for any menu. With a firm texture, excellent shrimp bite, and creamy white flesh, Toppits Pacific White Shrimp is the perfect addition to any dish. Our shrimp is processed in HACCP approved plants to ensure high quality products and is strict to specifications, resulting in a consistent, high-quality shrimp packed 100% net weight. Available in a wide range of sizes and formats.

Features & Benefits

- Firm, sweet shrimp that is mild in flavour creating a natural, clean taste with an outstanding bite
- Processed in HACCP approved plants to ensure high quality products
- Cost effective alternative to Black Tiger shrimp, increases value on the menu
